**Fill in your address and hit "get directions" to get the detailed driving route to our company!**

Note: When you arrive at the beginning of Rizari (heading western bound- e.g. coming from Thessaloniki) drive 500 meters and turn right at the first available road, then head straight 1500 meters (point B in the map) and turn right in the smaller road for another 900 meters. Your destination should be on the left hand side.
